**Re:** Stolen bikes recovered in search warrant

Today at 12:54 p.m. Mason City Police officers served a search warrant at 330 South Pennsylvania, apartment #4. During the execution of the warrant two confirmed stolen bicycles were recovered. One bike was reported stolen to our department and the other was reported stolen to the Ames Police Department.

Those bikes along with over twenty other bikes and bike frames and dozens of other bike parts were seized during the search. Drug paraphernalia was also found during the warrant. Three men and a woman were in the apartment when officers arrived. No charges have been filed at this point but the investigation is still on going and arrests are probable.

Our department was assisted in this investigation by the Cerro Gordo County Sheriff's Office.
