Meet the Staff - Deborah Eppens

I started working for the Parks and Rec Department for the After School Program in September 2023. I enjoy working with all the different age children from K-6th grade. I filled in one night for a fall soccer game in concessions and have been doing supervising and concessions ever since for soccer, volleyball, basketball, adult softball, softball, and T-ball. I have met some really great people working for the Department and enjoy seeing the children that I have engaged with during all the different programs. During my spare time, I am currently starting to train for my first 5k that I will be participating in in November.

Volunteer Coaches Needed

Adult volunteer coaches are needed for each youth sport. Adults may request to coach with another adult in order to work out personal schedules. If you are interested in helping, please fill out a coach's application. Coaches must attend the appropriate coach's meeting (times & dates to be announced) and become certified through the National Youth Sports Coaches Association (NYSCA). NYSCA Certification dates listed in the online!

No Coach Policy

The MC Recreation Department's Youth Sports Programs rely heavily on Volunteer Parents/Adults to Coach. If a volunteer does not step forward to coach, the department will provide a staff person to instruct at practices - parents will be assigned to organize games. However, your child's sports experience may not be as enjoyable as if a volunteer were coaching. In such circumstances there will be a parent's meeting to discuss game dates and responsibilities.
