

## **DIVING WELL RULES**

1. Only one person at a time is permitted on the diving board including the ladder.
2. Only one bounce is permitted.
3. Dives must be straight off the end of the board.
4. For your safety, cartwheels or other non-standard dives are not permitted.
5. Divers should swim immediately to the nearest ladder and climb out.
6. Hands must be above head while diving.
7. Swimmers are not allowed to swim under the diving boards/drop slides in the diving area except when the diving area is closed.
8. Children must be able to pass the deep water swim test in order to use the diving board or drop slide.
9. Only one person is allowed on the drop slide at one time. Person must be clearly out of the way before next user is allowed to go down.

## **WATERSLIDE RULES**

1. You must be 42" tall to use the slide or go down with an adult.
2. It is recommended that pregnant women and individuals with heart conditions refrain from using the slide.
3. Metal objects, eyeglasses, locker keys, metal snaps, jewelry, etc. Are not allowed on the slide.
4. Only one person is allowed to go down the slide at one time. No trains or waiting halfway down.
5. No one is permitted to go down head first.
6. Adults are allowed to catch a child, but must wait on the side of the pool until their child's turn. Must be an adult to do this.
